

FUSTELLATI ADESIVI IN POLIIMMIDE

DIE-CUT POLYIMIDE TAPE

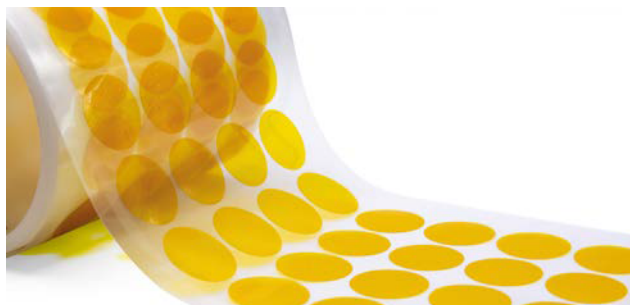

PCB - 260°C

**Rivestimenti a Polvere, Anodizzazione,
Protezione di Circuiti Stampati.**

***Powder Coating, Anodizing, Electroplating and
Masking of Electronic Printed Circuit Board.***

Consegna in tempi rapidi e quantità rotolo personalizzabili.
Non rilascia residui di adesivo.

Short delivery times. Custom quantities. No residue after removing.
